ECTS

Program Information Package

Program: Ebelik Bölümü | Total ECTS: 240 | Date of Issue: 21.11.2026

Program Information

Program Name	Ebelik Bölümü
Education Level	Bachelor
Language of Instruction	Turkish
Program Duration	8 Semesters
Maximum Duration	14 Semesters
Head of Program	Dr. Öğr. Üyesi Özlem ŞAHAN
Internship	Not Required
Total ECTS	240

Admission and Registration Requirements

Programa öğrenci kabulü, her yıl için Öğrenci Seçme ve Yerleştirme Merkezi (ÖSYM) tarafından yapılan Yükseköğretim Kurumları Sınavı (YKS) sonucu elde edilen (SAY) puan türüne göre yapılmaktadır. Bölüme kabul edilecek öğrencilerin yükseköğretim programının koşul ve açıklamalar kılavuzunda yer alan 38. maddeye uymaları gerekmektedir. Bu madde aşağıda yer almaktadır:1.Bu programa kayıt olacak öğrenciler, hastane/saha ve okul laboratuvar uygulamalarında bölüm yönetimince belirlenmiş olan üniformayı giymek zorundadırlar (Madde 38).

Admission and Registration Requirements

Admission to the program is based on the Higher Education Institutions Examination (YKS) score (SAY) obtained annually by the Student Selection and Placement Center (ÖSYM). Students to be admitted to the department must comply with Article 38 of the higher education program's conditions and explanations guide. This article is as follows:1. Students enrolling in this program are required to wear the uniform determined by the department administration during hospital/field and school laboratory applications (Article 38).

Graduation Requirements

(Regulation No. 26775 dated February 2, 2008, on Determining the Minimum Educational Requirements for Medical, Nursing, Midwifery, Dentistry, Veterinary, Pharmacy, and Architecture Education Programs) As stated in the regulation, there are mandatory graduation criteria for obtaining a midwifery bachelor's degree in our country (https://www.resmigazete.gov.tr/eskiler/2008/02/20080202-9.htm). Every student must submit documents demonstrating that they have met these criteria before graduation (100 prenatal examinations and follow-ups, 40 normal deliveries, 1-2 breech presentation deliveries, 40 high-risk pregnancy follow-ups, 100 postnatal follow-ups and newborn monitoring, 50 high-risk newborn monitoring). According to Article 40 of our University's Associate Degree and Undergraduate Education and Training Regulations, students who successfully complete all courses in our Faculty's curriculum, have a weighted grade point average of at least 2.00 out of 4.00, and complete at least 240 ECTS credits are eligible to graduate from the department.

Exams, Assessment and Evaluation

Exams at our university consist of midterm exams, final exams, make-up exams, exemption exams, supplementary exams, and single-course exams. Exams are conducted according to the schedule prepared and announced by our faculty. Presenting student ID cards is mandatory to enter exams. Our university does not have a make-up exam system; however, a summer school program is available.A midterm exam is an exam given during the semester in which a course is taught within the curriculum of our faculty's undergraduate program. Each course has at least one midterm exam per semester, or assignments, projects, and similar work done during the course may be used in place of a midterm exam at the discretion of the course instructor. A final exam is an exam held at the end of the semester in which the course is taught, within the dates specified in the academic calendar. To be eligible to take final exams, students must have completed 70% of the courses. The passing grade ranges for a course are as follows:

To be eligible to take final exams, students must have completed 70% of the courses. The passing grade ranges for a course are as follows:Our students' academic proficiency is determined by their grade point averages at the end of each semester. From the end of the second semester onwards, students with a GPA of 2.00 or higher are considered successful, while those with a GPA of 1.99 or below are considered academically insufficient. Students who fail a course in the program curriculum must retake that course in the first semester it is offered. Even if all other graduation requirements are met, a student cannot graduate unless they have completed the failed course.

Program Educational Objectives

Amacımız çağdaş yaklaşımlar doğrultusunda uluslararası düzeyde bilgi ve araştırma yeteneğine sahip, yaşadığı toplumu ve sağlık sorunlarını bilen, eleştirel düşünme sürecini kullanabilen, insan hak ve değerlerine saygılı, sağlık ekibinin etkin bir üyesi olarak rol ve işlevlerini yerine getiren, mesleki etik ilkeleri göz önünde bulunduran, topluma liderlik edecek profesyonel ebeler yetiştirmektir.Bu değerler doğrultusunda ebelik bölümü mezunlarımız mesleki ve etik sorumluluk anlayışı ile bütüncül bir yaklaşımla birey/kadın/gebe/aile ve topluma yönelik eğitim, danışmanlık ve bakım hizmetlerini yürütebilme, mesleki uygulamalarını profesyonel ebelik değerleri ve etik ilkeleri doğrultusunda gerçekleştirebilme becerisini kazanacaktır.

Program Educational Objectives

Our aim is to train professional midwives who, in line with contemporary approaches, possess international-level knowledge and research skills, understand their community and health issues, utilize critical thinking processes, respect human rights and values, fulfill their roles and functions as effective members of the healthcare team, consider professional ethical principles, and lead the community. In line with these values, our midwifery graduates will gain the ability to conduct education, counseling, and care services for individuals/women/pregnant women/families and the community with a holistic approach and a sense of professional and ethical responsibility, and to carry out their professional practice in accordance with professional midwifery values and ethical principles.

Recognition of Prior Learning

Üniversiteye kesin kayıt yaptırabilmek için, ÖSYM tarafından düzenlenen merkezi yerleştirme sınavları sonucunda bölümün gereği olan notu elde etmiş veya yatay geçiş başvurusu kabul edilmiş olmak gerekir. Uluslararası öğrencilerin kabulü ve kayıtları için ilgili mevzuat hükümleri çerçevesinde YÖK ve Senato tarafından belirlenen esaslar uygulanır.Yurt içi ve yurt dışı yükseköğretim kurumlarından üniversitenin aynı düzeydeki eşdeğer diploma programlarına veya üniversitenin aynı düzeydeki diploma programları arasında yapılacak yatay geçiş işlemleri ve çift ana dal-yan dal programları ile ilgili hususlar 24/4/2010 tarihli ve 27561 sayılı Resmî Gazete'de yayımlanan Yükseköğretim Kurumlarında Önlisans ve Lisans Düzeyindeki Programlar Arasında Geçiş, Çift Anadal, Yan Dal ile Kurumlar Arası Kredi Transferi Yapılması Esaslarına İlişkin Yönetmelik hükümleri ile Senato tarafından belirlenen usul ve esaslara göre yapılır.Meslek yüksekokulları mezunlarının lisans programına dikey geçiş işlemleri, 19/2/2002 tarihli ve 24676 sayılı Resmî Gazete'de yayımlanan Meslek Yüksekokulları ve Açıköğretim Ön Lisans Programları Mezunlarının Lisans Öğrenimine Devamları Hakkında Yönetmelik hükümleri ile Senato tarafından belirlenen esaslara göre yapılır.

Recognition of Prior Learning

To be able to enroll in the university, it is necessary to have obtained the required grade for the department as a result of the central placement exams organized by ÖSYM (Student Selection and Placement Center) or to have had a transfer application accepted. For the admission and registration of international students, the principles determined by the Council of Higher Education (YÖK) and the Senate within the framework of the relevant legislation are applied.Transfer procedures between equivalent diploma programs at the same level within the university from domestic and foreign higher education institutions, and matters related to double major and minor programs, are carried out according to the provisions of the Regulation on Transfers Between Associate and Bachelor's Degree Programs, Double Major, Minor and Inter-Institutional Credit Transfer in Higher Education Institutions, published in the Official Gazette dated 24/04/2010 and numbered 27561, and the procedures and principles determined by the Senate.The procedures for transferring graduates of vocational colleges to undergraduate programs are carried out in accordance with the provisions of the Regulation on the Continuation of Undergraduate Education for Graduates of Vocational Colleges and Open Education Associate Degree Programs, published in the Official Gazette dated 19/2/2002 and numbered 24676, and the principles determined by the Senate.

Transition to Higher Degree Programs

Candidates who successfully complete the undergraduate program can continue their postgraduate education, provided they meet the necessary qualifications, including achieving the required GPA, foreign language proficiency level, ALES exam, and other examination requirements set by each institute.

Transition to Higher Degree Programs
